Your consent and authorisation			
<input type="checkbox"/> I consent to LUCRF Super using my TFN to search for any super held by other super providers or the Australian Taxation Office (ATO). I understand that any super held by the ATO will automatically be transferred into my LUCRF Super account. I will be notified of any accounts held with other super providers before seeking my approval to transfer these funds into my LUCRF Super account.			
I understand that my consent will remain in place until I contact LUCRF Super to cancel it.			
Before combining my super accounts, I understand that I should consider how it might affect my insurance in other funds and if they have any exit fees.			
Note: We'll only use your TFN in accordance with your consent. You can cancel your consent by calling 1300 130 780, or writing to us at mypartner@lucrf.com.au .

*We are authorised to seek your TFN under superannuation law. We will use your TFN only for lawful purposes and to help us identify you. You don't have to provide your TFN, but if you don't, we may not be able to accept after-tax contributions from you and may deduct tax at the highest marginal rate plus the Medicare levy. It will also make it easier to keep track of your super. If we transfer your super to another fund, we may disclose your TFN to the other fund unless you request from us in writing not to disclose it.

Superannuation amounts held with other providers and reported by the ATO as a result of a super search may differ to the amount transferred to your LUCRF Super account as a result of investment returns, exit fees or penalties by the other provider.
